

Leaders in Engineering Expertise, Quality and Service Since 1966

 **Fabrimech**
Engineers Pvt. Ltd.

- ◆ Pressure Vessels (100% Radiography)
- ◆ Reservoir, Tanks in Stainless Steel
- ◆ Stainless Steel Fabricators
- ◆ Pressed Components & Assemblies
- ◆ Precision Laser cutting and Bending services

"To be an integral part of our customers' success by delivering the highest-quality engineered products... on time and on budget."

About us

Fabrimech Engineers Pvt Ltd, a multi-product company since 1966. The company manufactures a wide range of quality products of high performance conforming to various National and International standards in its factory in Chennai, South India. Fabrimech is satisfying the needs of a number of National and multinational companies for their requirement of Sheet Metal, Fabricated components of Light/Heavy Engineering products. The company is one of the reputed and approved supplier to various Government of India Establishments like Indian Railways, Defence, Atomic Energy Establishments and many Reputed private transportation industries.

On the Strength of the Professional staff and excellent track record of the company, its quality performance has been widely accepted by the quality conscious domestic and overseas customers in various. The company specializes in manufacturing

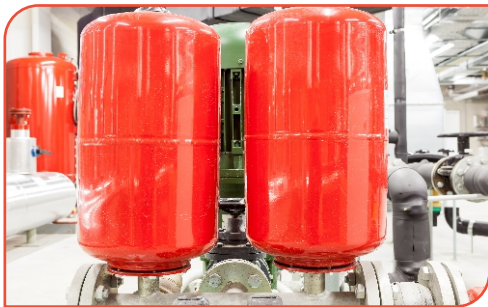

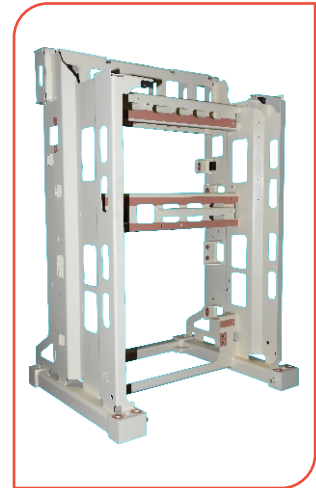

Pressure Vessels a number of special type of components/equipments as per customer drawing and specifications.

Fabrimech is one of the very few small-scale units which manufactures Pressure Vessels with 100% radiography. The company has in-house manufacturing and testing facilities for NDT testing. The Pressure vessels manufactured confirms to EN, ASME, ASTM International Standards. Fabrimech is the approved supplier of Filter vessels, Air Reservoirs, Accumulators and ION exchange vessels with 100% radiography for welded joints for Nuclear power projects, Indian Railways etc..

All this synthesized into creating an indomitable spirit for excellence. The approaches are related to areas of National priority. Fabrimech complies with ISO 9001:2015 Quality Management System and is certified for EN 15085-2 Welding Standard.

Products

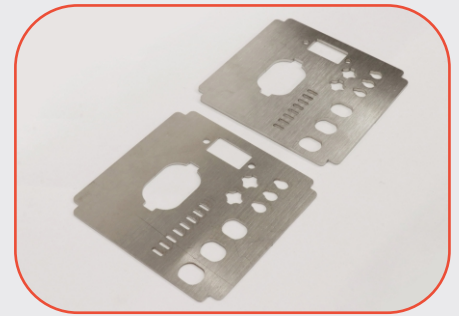

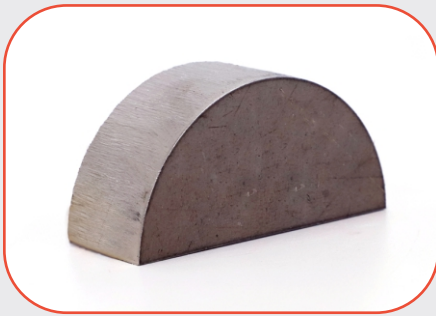

- ◆ Pressure Vessels (100% Radiography)
- ◆ Accumulators
- ◆ Air Tanks, Air Reservoirs
- ◆ Fabricated Frames
- ◆ Precision Welding

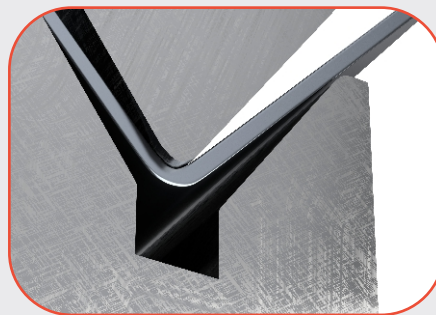

Facilities

- ◆ CNC Fibre laser – 12 KW (2.5 x 6 meters)
 - ◆ Robot Welding with laser sensor
- ◆ Programmable TIG / MIG Welding
 - ◆ CNC Four roll Sheet Rolling
 - ◆ CNC Lathe
- ◆ CNC Laser Cutting and CNC Bending

12 KW Fibre Laser Cutting and CNC Bending Services

Cutting thickness: 45mm- Mild Steel / 50mm – Stainless Steel
Bed Size: 6 metres x 2.5 metres.

Precision Bending 225 Ton
3100mm length -5 axis machine

Manufactured by

Regd. Office & Unit I

32, SIDCO Industrial Estate,
Ambattur Industrial Estate,
Chennai - 600 098. INDIA.

Unit II

72B, 12th St., SIDCO Indl. Estate,
Ambattur Industrial Estate,
Chennai-600 098. INDIA.
