

"Manufacturers & Exporters of Precision & Hi-Tech Fabricated Products"

Leaders in
Engineering Expertise,
Quality and Service
Since 1966

- Pressure Vessels, Air Tanks, Air Reservoirs
- Aluminium and SS Fabricators
- Pressed Components & Assemblies
- Precision Laser cutting and Bending services
- SS Toilets and Basins
- Precision Welding

"To be an integral part of our customers' success by delivering the highest quality engineered products... on time and on budget."

About Fabrimech Engineers Pvt. Ltd.

At Fabrimech Engineers Pvt. Ltd., we are more than just a Steel Fabrication company. We are a dedicated team of professionals with a mission-minded focus, driven by a commitment to glorify God through our work and a relentless pursuit of excellence. With an unwavering dedication to quality and precision, we have become a trusted partner for numerous national and multinational companies in meeting their sheet metal and fabricated component needs for light and heavy engineering products.

Our Commitment to Excellence:

Quality is Our Cornerstone: Fabrimech Engineers Pvt. Ltd. is proud to maintain the highest standards of quality in the industry. We adhere to the ISO 9001: 2015 Quality Management System, ensuring that every product we create meets and exceeds the expectations of our valued clients.

Unparalleled Expertise: With a team of seasoned professionals who are experts in their respective fields, we have established an excellent track record. Our experience spans a wide range of projects, and we take pride in our ability to deliver exceptional results, no matter the complexity.

Precision Welding: Fabrimech is among the very few small-scale units that manufacture pressure vessels with 100% radiography. Our unwavering commitment to precision and safety has made us the approved supplier of filter vessels, air reservoirs, accumulators, and ion exchange vessels with 100% radiography for welded joints for prestigious projects such as Nuclear power projects and the Railways.

Certifications and Standards: Fabrimech Engineers Pvt. Ltd. stands out in the industry as a company that not only meets but exceeds the highest industry standards. We are certified for EN 15085-2 and ISO 3834 Welding Standard, demonstrating our dedication to quality and excellence in every project we undertake.

Partner with Fabprimech Engineers Pvt. Ltd.:

When you choose Fabprimech Engineers Pvt. Ltd. as your fabrication partner, you're choosing a company that not only understands the importance of precision engineering but also values integrity, quality, and excellence in all that we do. We are dedicated to serving our clients with the utmost professionalism and a commitment to delivering results that consistently exceed expectations.

Join us on our journey as we continue to set new benchmarks in the stainless steel fabrication industry. Contact us today, and let's explore how we can collaborate on your next project, ensuring it meets the highest standards of quality, safety, and precision. Together, we'll achieve greatness, all while striving to glorify God through our work.

Sourcing from India

Why source in India?

Are you thinking about sourcing products in India,
Sourcing in India has surged in recent times.

Fabrimech offers following services for sourcing of from India:

- Identify potential manufacturers
- Evaluation of manufacturer facilities and capabilities
- Budgetary pricing and comparative analysis
- Third party quality assurance
- Onsite inspection and logistics consultancy

Manufactured by

REGD. OFFICE & UNIT I

32, SIDCO Industrial Estate, Ambattur Industrial Estate, Chennai - 600 098. INDIA.

Unit II

72B, 12th St., SIDCO Indi. Estate, Ambattur Industrial Estate, Chennai - 600 098. INDIA.
